## THUNDER STORM.

Electrical Display And Atmospheric Commotion Wednesday.

Lightning Strikes In Several Places—Great Damage to Crops.

There was a severe thunder storm in Hopkinsville and vicinity Wednesday afternoon about 5 o'clock. There were hard rains in the northern portion of the county about 5 o'clock, but none in the city at that hour. There was much lightning though and the telephone wire leading into the Racket Store was struck by lightning and the battery destroyed. Miss Ora Cayce, the cashier, was near the phone and as the bell rang and a ball of fire appeared in a few inches of her, Miss Cayce swooned away from the shock or from fright. A physician was hastily called and she was restored to consciousness in five or ten minutes.

Lightning also struck Mrs. Terry's stable, a few miles south of town, but the blaze was discovered

ed in its incipency and as it burned very slowly Mr. M. V. Owen and others succeeded in putting out the flames.

The electrical storm was followed by high winds and hard rains and great damage was done to growing crops. The wheat is now but about half ripe and much of it is flat on the ground. It will be very hard to save it in good condition and much loss is sure to result. The corn also was beaten down, but this may be straightened up by plowing. In some places trees were broken down and other damage done. Full reports have not yet come in from over the county.

## HIS LIFE SAVED

By Chamberlain's Colic, Cholera And Diarrhoea Remedy.

"I am sure that Chamberlain's Colic, Cholera and Diarrhoea Remedy at one time saved my life," says A. E. Lafayette, of Gregory Landing, Clark county, Missouri. "I was in such bad shape the doctors said I could not live. When I was at the lowest ebb, one of my neighbors brought in a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and I took it and got instant relief. I soon got up and around. That was nine years ago and I am still in good health. Since then the medicine has always been in my house and always will be. It is the best on earth." For sale by all druggists.

## First Peaches Moving.

The first carload of peaches of the season passed through Nashville Wednesday going to Cincinnati. This lot of fruit came from Calhoun, Ga. The shipping season will begin in earnest in a few days and in a few weeks it will be nothing uncommon for them to move out of Georgia in train load lots. Some few peaches have been shipped before this, but they were by express and only in small lots. They have yet reached the local market.

## Unnecessary Loss of Time.

Mr. W. S. Wheden, Cashier of the First National Bank of Pinterst, Iowa, in a recent letter gives some experience with a carpenter in his employ, that will be of value to other mechanics.
